## 'RAIL TOURISM - EXPERIENCE MALAYSIA HOMESTAY BY RAIL' EXPERIENCE OF MELAKA HOMESTAY

### 3 DAYS / 2 NIGHTS HOMESTAY SERI TANJUNG, MELAKA.

Come experience the village, or kampung, way of life first-hand. And there's no better place to do this than staying in a village that has twice been the winner of the National Beautiful Village competition. Warm, hospitable, tight-knit communities offer the best home-cooked meals and are eager to share their customs and traditions with visitors. Beautiful scenery is part of village life - slanted coconut trees that pierce the bright blue sky and line red dirt roads add to the enlightening and fun-filled experience.

You will be invited to participate in animal husbandry and farming, if you want a hands-on experience. It is common for children to play traditional games in the cool, late afternoon. They will eagerly teach you these games, but be prepared to lose gracefully to these expert players. This is village life at its best!

The villagers will organize traditional performances such as Silat, the Malay martial arts, or traditional top spinning. This is the perfect way to learn about Malaysian culture and get to know Malaysians.

**Activities:** A welcome reception, a welcome drink, a village tour, making traditional local delicacies, a cultural performance, Malay mock wedding, playing traditional local games and demonstration of handicraft & rubber tapping.
